

Key Criteria That Must Be Met

Please be aware this information is speculator and not officially from the Hajj Ministry

- Makkah & Madinah reach 60% vaccination level.
- Social distancing maintained throughout the pilgrimage.
- No groups larger than 100 when moving. Group leader must supervise the group.
- Full detailed information should be provided in advance to mobilise groups.
- Requirement for any pilgrim from abroad to obtain a Covid-19 vaccine approved by the World Health Organisation. The second dose of the vaccine must be taken a minimum of 1 week before arrival to the Kingdom of Saudi Arabia.
- Produce a certified negative test result for Covid-19 taken within 72 hrs of arrival to the kingdom of Saudi Arabia.
- Quarantine for a period of 72 hrs upon arrival to Saudi Arabia, with a re-test taken after 48hrs to get the all-clear.
 - Wearing a face mask at all times.
- Excluding the most medically vulnerable groups for this year and limiting the age group to 18-60 year olds.

Please be aware that the above criteria may also change.
Prices will be provided. We are waiting for the official announcement from the
Ministry of Hajj 2021.
